

2025 SDIAA Golf Tournament

Sponsorship Opportunity

About Us

The San Diego Insurance Adjuster Association (SDIAA) is a professional organization dedicated to fostering relationships between insurance adjusters and the businesses that support the claims industry. Through educational events, networking opportunities, and industry collaboration, SDIAA provides a space where adjusters can connect with vendors and professionals who assist in handling property and auto claims.

Our primary focus is on insurance adjusters. By bringing together adjusters and local business members, we create an environment where business relationships flourish, industry knowledge expands, and adjusters remain engaged with the community.

SDIAA events are made possible through the support of our valued business members, whose sponsorships allow us to continue providing valuable resources and opportunities for the claims community.

Whether you are an adjuster looking to expand your professional network or a business member seeking to build long-lasting industry connections, SDIAA is your gateway to success.

Why Sponsor the SDIAA Golf Tournament?

The SDIAA Golf Tournament provides a premier networking opportunity, allowing sponsors to connect with influential property insurance adjusters. Participants can engage in meaningful conversations, strengthen relationships, and form new partnerships while enjoying a day on a world-class course.

This is more than just sponsorship—it's an investment in your brand's visibility and credibility. Your company will be showcased at an exclusive event, positioning you as an industry leader among industry professionals. Whether you're shaking hands at the registration table, chatting over drinks at the reception, or engaging with players on the course, your presence will be felt.

Don't miss the chance to immerse yourself in an unparalleled experience, where **business meets pleasure** and connections turn into lasting partnerships.
